It provides a framework on the recruitment, selection, suitability and deployment of individuals working with young people.

It emphasises the value of working closely in partnership with other coaches, parents, professionals and volunteers to protect children and young players from harm and discrimination.

It acknowledges that abuse does take place in sport and that raising awareness and understanding of the main forms of abuse and establishing communication and reporting procedures if abuse is suspected will further safeguard the young players, coaches and all others working within the game.
