Rules to Follow.

The eight golden rules that will ensure compliance with the policy on photographic images are as follows:

1. Ensure parents/guardian/young person have granted their consent for the taking and publication of photographic images and have signed and returned the Parent/Guardian and Young Person permission Form. It is strongly recommended that the relevant form is incorporated into the annual club registration form and will therefore only need to be completed once a year.

2. All young people must be appropriately dressed for the activity taking place.

3. Photography or recording should focus on the activity rather than a particular young person and personal details which might make a young person vulnerable, such as their exact address, must never be revealed.
4. Where an individual has achieved success in the game (e.g. when selected for representative side or showing triumph over adversity) permission must be gained from parent/guardian and young person to use photographs/recordings and relevant details.
5. Where possible, to reflect the RFU/RFUW Equity Policy, photographs/recordings should represent the diverse range of young people participating in rugby.
6. Anyone taking photographs or recording at any rugby event must have a valid reason for doing so and seek the permission of the organisers/persons in charge.
7. Anyone taking photographs or recording should make themselves known to the event organisers/persons in charge and be able to identify themselves if requested during the course of the event.
8. All concerns regarding inappropriate or intrusive photography should be reported in confidence to the RFU Child Protection Manager via the Rugby Club or Constituent Body Welfare Manager.
